Priority of Access Guidelines

Sometimes, there may be a waiting list for child care services and to ensure the system is fair, the Australian Government has 'Priority of Access Guidelines' for allocating places in these circumstances. They are used when there is a waiting list for a child care service or when a number of parents are applying for a limited number of vacant places.

Please indicate (✓) your priority group.

	<i>Priority One</i>	<i>A child at risk of serious abuse or neglect</i>
	<i>Priority Two</i>	<i>A child of a single parent who satisfies or of parents who both satisfy the work / training / study test.</i>
	<i>Priority Three</i>	<i>Any other child</i>

Within these main categories priority is given to the following children. If applicable, please indicate (✓) your priority group.

	<i>Children in Aboriginal and Torres Strait Islander families</i>
	<i>Children in families which include a disabled person</i>
	<i>Children in families on low incomes</i>
	<i>Children in families from culturally and linguistically diverse backgrounds</i>
	<i>Children in socially isolated families</i>
	<i>Children of single parents</i>

The QUT Student Guild gives priority to Guild members and QUT students within the above priority groups.

Please be aware, we may require a Priority 3 child to vacate a place to make room for a child with a higher priority. If this occurs, we will give you a minimum of 14 days notice of the need for your child to vacate to make the position available.

For more information about the 'Priority of Access Guidelines' please go to www.mychild.gov.au/oececc.htm.
